

# Biographical Sketch — Klaus Bartschat

## Personal Data

Name: Klaus Bartschat  
Institution: Drake University phone: (515) 271-3750  
Department: Physics & Astronomy fax: (515) 271-1943  
Address: Des Moines, Iowa 50311 e-mail: klaus.bartschat@drake.edu  
USA web: <http://bartschat.drake.edu/klaus.html>

## Education

Habilitation (“*venia legendi*”), Physics (1989), University of Münster (Germany)  
Ph.D. (Dr. rer. nat.), Physics (1984), University of Münster (Germany)  
Diploma, Physics, “with highest honors” (1981), University of Münster (Germany)

## Professional Experience

**Present Position:** Ellis & Nelle Levitt Distinguished Professor of Physics, Drake University

### Previous Positions:

Professor, Drake University, September 1994–August 2000  
Associate Professor, Drake University, September 1991–August 1994  
Assistant Professor, Drake University, September 1988–August 1991  
Visiting Assistant Professor, Drake University, January 1987–May 1987  
Research Associate, University of Münster, 1986–1988  
Research Associate, The Queen’s University of Belfast, 1985  
Research Assistant, University of Münster, 1982–1984

## Professional Activities

**Research fields:** electron and positron scattering from atoms and ions, heavy-particle collisions  
photoionization, including strong-field processes in atoms and molecules  
general scattering theory, computational methods

**Publications:** 2 books  
48 further book contributions  
12 invited review articles  
2 major technical reports  
327 refereed papers in professional journals  
61 invited talks at national and international conferences  
105 colloquia, seminars, and guest lectures  
several hundred contributed papers at professional meetings  
h-index (Google Scholar, Dec. 19, 2014): **39**; citations: **6256**

**Grant Support:** United States National Science Foundation ( $\approx$  \$160,000 per year)  
Extreme Science and Engineering Discovery Environment (8,000,000 service units)

**Extended Visits:** The Queen’s University of Belfast (UK), University of Münster (Germany),  
York University Toronto (Canada), JILA (University of Colorado, Boulder),  
Flinders University (Adelaide, Australia), Murdoch University (Perth, Australia),  
Curtin University (Perth, Australia)

**Journal Review:** Journal of Physics B, Physics Letters A, Physical Review A,  
Physical Review Letters, Zeitschrift für Physik D, Hyperfine Interactions  
Australian Journal of Physics, Canadian Journal of Physics, European Physics Letters

**Proposal Review:** National Science Foundation (USA), Department of Energy (USA),  
Australian Research Council, Alexander-von-Humboldt Foundation (Germany),  
National Science and Engineering Research Council of Canada

**Leadership:** Past Member, General and Executive Committee of ICPEAC (1991–1995, 1999–2001 )  
Past Chair, Theoretical Atomic, Molecular, and Optical Community (TAMOC, 1998–2000)  
Past Member, General and Executive Committee of GEC (2000–2002)  
Past International Secretary of ICPEAC (2001–2007)  
Past Treasurer of GEC (2006–2010)  
Past Member, NSF Task Force on Grand Challenge Communities (2009–2010)  
Specialist Editor: Computer Physics Communications

**Honors:** Visiting Fellow, University of Colorado and JILA (Sept. 1992–June 1993)  
Centennial Scholar (College of Arts & Sciences, Drake University, 1993–1994)  
Fellow of the American Physical Society (elected 1998)  
Currently listed in *Who’s Who in America* and *Who’s Who in the World*  
Visiting Fellow, Harvard Smithsonian Center for Astrophysics (June 2002–Dec. 2002)  
Outstanding Referee, Journals of the American Physical Society (elected 2008)  
Troyer Research Fellow (Drake University, 2011–2012)  
Foundation Speaker, Gaseous Electronics Conference, 2012
